RESPONSE TO OFFICE ACTION

Sir:

This paper is submitted in response to the Office Action for the above-identified application mailed October 28, 2002.

IN THE SPECIFICATION

The Applicant now submits both marked-up and substitute specifications for the above-identified application. The marked-up specification indicates the changes the Applicant proposes to make to the specification as originally filed. The substitute specification is based on the original specification and contains the changes the Applicant proposes making.

The substitute specification does not contain any new matter over what was in the application when it was originally filed.
